FEE CREDIT

Begin a NIMYA partnership within six months of a short engagement, and those fees are credited toward Year 1.

LANGUAGE

Facilitators work in English and Spanish. Translated materials add $500. Other languages use interpreters at cost.

PRICING THAT FITS YOUR MINISTRY

These figures are suggested and reflect the full value of our work. We don't want cost to stand in the way of serving young adults, so if they're beyond your current budget, let's talk. We'll work with you on a fee and payment schedule that fits, and your exact fee is confirmed in a proposal. Billing can be annual or quarterly.

COMMON QUESTIONS

Not sure what you need? Start with a Listening and Snapshot.

Working with a tight budget? Start with a short engagement, use the fee credit, spread billing out, and talk with us about a fee that fits.

Can webinars reach our volunteers? Yes. Recordings with discussion guides can be used later.

Serving Spanish-speaking communities? Yes, with bilingual facilitators.

HOME MISSION DIOCESES

The fee is the same, and we work with you to secure grant funding. Add-ons and NIMYA travel can be included in the grant request.
