PRICING THAT FITS YOUR DIOCESE

These figures are suggested and reflect the full value of the partnership. We don't want cost to stand in the way of forming your ministers, so if they're beyond your current budget, let's talk. We'll work with you on a fee and payment schedule that fits. Billing can be annual or quarterly.

HOME MISSION DIOCESES

The fee is the same, and we work with you to secure grant funding. Add-ons and NIMYA travel can be included in the grant request.
